## Turbo Referral Income

Direct Referral Income is a reward you earn when you invite new members to join The Turbo Trade. It is designed to encourage growth while rewarding your effort in bringing new people into the system.

### How It Works:

When someone joins through your referral link or ID, you earn a percentage of their joining or re-top payment.

This percentage is fixed at 10% of the amount paid by your direct referral.

Exp. When you sponsor A Direct person with 11\$ you get 10% of his activation fee, you get again when he up step with 22\$. You get this income on every step up.

Benefit: The Direct Referral Income allows you to earn instantly when your network grows — adding a steady stream of passive income alongside your Turbo Step Income.

## Turbo Team Income

Turbo Team Referral Income is a special reward you earn when your direct referrals bring in new members. It is designed to encourage teamwork and long-term growth within The Turbo Trade system.

### How It Works:

When your direct referral earns Direct Referral Income, you receive 50% of his referral income

This creates an additional income stream as your network grows.

Exp. You Direct A Person He Direct C Person he get 10% of his activation fee 1\$, you get 50% of his earning 1\$.

Benefit: Team Referral Income creates multi-level earnings, meaning you earn not only from your own referrals but also from the efforts of your team — building a powerful, sustained income flow.

## Self Or Ai Turbo Trading

ID Trading is the core growth mechanism in The Turbo Trade.

It means upgrading your account (ID) step-by-step to increase its value and your earning potential.

How ID Trading Works :

1. Activate Your ID -You join The Turbo Trade system with the Basic Package (\$11) -This creates your personal ID in the system.

2. Step Re-tops = Trading Your IDEvery time you re-top your ID, you “trade” it to the next step. This upgrades your position in the system, unlocking higher payouts.

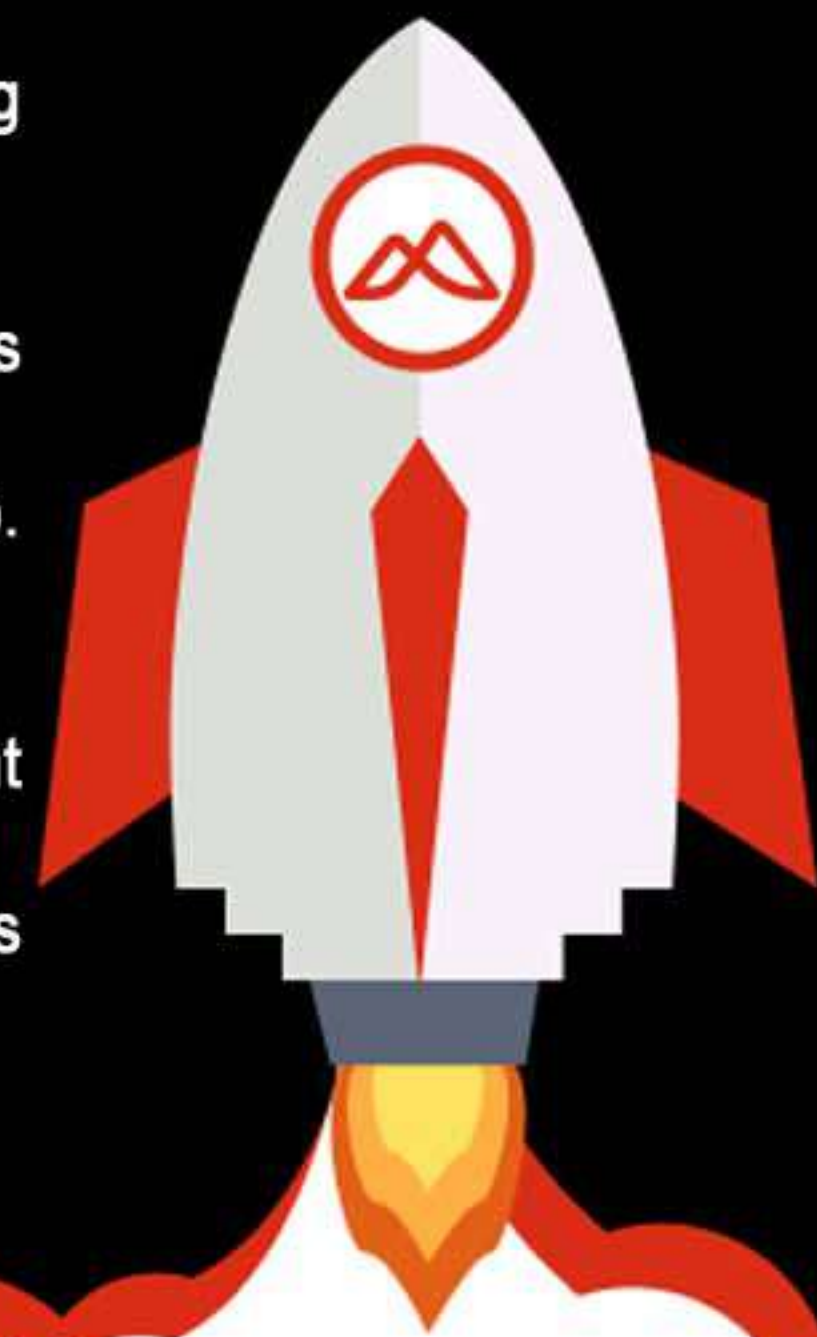

Example:Step 1: \$11 → Get \$20Step 2: \$22 → Get \$40...up to Step 10.

3. ID Placement in NetworkEach ID is placed in the TurboGrowth network.This placement generates opportunities for referral and team income.

4. ID Value GrowthWith each trade (re-top), your ID's value increases.This creates a continuous cycle of growth and higher earnings.

Self Turbo Trading : This Trading depends on your direct self referral.

Ai Turbo Trading : This Trading will be auto manage by system through Ai Programme.
